-

“Our players and fans safety is our number one priority during these difficult times. Taking that into consideration, we felt that flexing our schedule and opening our season on June 15th, instead of June 1st, will give us ample time to prepare ourselves to take the extra measures of safety for our fans, players, and employees. We will have a revised schedule to be released within the next few days.

We look forward to seeing you at Shaute Field in June!” - Owner Don Lewis

“We Are Family”
